

Sr. Marketing Specialist

Position Overview

Prospus Consulting Pvt. Ltd. is seeking an experienced and strategic Senior Marketing Specialist to lead our digital marketing efforts. This is a Level 4-5 role, combining hands-on expertise with supervisory responsibilities. The ideal candidate will have a proven track record in driving digital marketing strategies, optimizing SEO performance, managing ROI-focused campaigns, and enhancing the company's online presence.

Responsibilities

Strategic Leadership

- Develop and execute comprehensive digital marketing strategies to achieve company goals.
- Define and manage marketing budgets, ensuring cost-effective and ROI-driven campaigns.
- Stay updated with industry trends and emerging digital marketing practices to maintain a competitive edge.

Search Engine Optimization (SEO)

- Oversee and improve the company's SEO strategies, including on-page, off-page, and technical SEO.
- Monitor website analytics, traffic trends, and rankings to ensure continuous growth in organic traffic.
- Work with content creators to optimize content for SEO performance and align it with marketing goals.

Performance Marketing & ROI Management

- Design, implement, and monitor performance marketing campaigns across platforms such as Google Ads, Facebook Ads, and LinkedIn.
- Analyze campaign performance metrics and generate actionable insights to optimize conversion rates and reduce acquisition costs.
- Create and manage KPI dashboards to measure campaign ROI and marketing effectiveness.

Team Management

- Supervise and mentor a team of digital marketing specialists and SEO experts.
- Delegate tasks, set performance objectives, and provide constructive feedback to ensure team alignment with organizational goals.
- Foster collaboration between marketing, sales, and product teams for unified efforts.

Data-Driven Insights

- Leverage tools like Google Analytics, SEMrush, Ahrefs, and HubSpot to gather insights and drive marketing decisions.
- Prepare monthly performance reports and recommend data-driven

improvements to stakeholders.

Brand and Content Management

- Ensure consistency in brand voice, messaging, and visuals across all digital channels.
- Collaborate with the content team to produce engaging and SEO-friendly materials, such as blogs, case studies, and social media posts.

Skills and Qualifications

- 8+ years of proven experience in digital marketing.
- Strong expertise in SEO, SEM, content marketing, and performance marketing.
- Experience in marketing SaaS or IT products is highly desirable.
- Demonstrated ability to manage and optimize large-scale campaigns with significant ROI goals.
- Proficiency in digital tools such as Google Analytics, Google Ads, SEMrush, Ahrefs, and CRM platforms like HubSpot.
- Excellent leadership, organizational, and communication skills.
- Analytical mindset with a strong ability to interpret data and generate actionable insights.
- Bachelor's or Master's degree in Marketing, Business Administration, or a related field.
